This end-unit townhome offers a clean, contemporary feel with a layout designed for comfort and flexibility. The main floor welcomes you with an open kitchen featuring an island, modern finishes, and stainless appliances, all connected to a bright living area and a convenient half bath. The second level includes a private bedroom and full bath, while the top floor is dedicated to the primary suite with its own bath and generous storage. Natural light flows throughout the home, and efficient heating and cooling keep every level comfortable in all seasons. The standout feature is the expansive rooftop patio—an impressive outdoor space ideal for gatherings, quiet mornings, or taking in the surrounding cityscape. Positioned in a gated community with excellent access to everyday amenities, this home sits just a five-minute walk from the Judkins Park Light Rail, making regional travel simple. Quick connections to I-90, I-5, nearby parks, trails, and local dining place you in the center of Seattle's growing urban corridor. A strong option for both personal use and investment, this property offers low-maintenance living in a location that continues to evolve and expand.
